

# UNABLE TO LOCATE / LOST CHILD REPORT

Designating a student as a "Lost Child" and withdrawing the student is a process of last resort. Schools must not enter this withdrawal code until all the steps have been completed and verified. Filing an Unable to Locate/Lost Child Report means that the child's whereabouts are unknown to the school and cannot be determined even after exhausting all possible methods and resources.

The Unable to Locate/Lost Child Process may consist of the following 4 steps:

- (1) Attempting to contact the family via all known phone numbers.
- (2) Conducting a home visit to the last known address.
- (3) Mailing a certified letter with a return receipt requested to the last known address.
- (4) Complete the Lost Child Report

NEW: All Unable to Locate/Lost Child documentation must be logged into the Aspen Outreach Log. Please see [Aspen User Guide - Outreach Log](#) for documentation instructions.

## STEP 1 OF 4

### 1. CONTACT THE FAMILY VIA PHONE, MAKING USE OF ALL KNOWN PHONE NUMBERS AND DOCUMENT ALL OUTREACH IN THE ASPEN OUTREACH LOG

- If the parent/guardian is reached via phone, and:
  - The parent/guardian **knows** the whereabouts of the student, the student **cannot** be designated a "lost child." The process ends here.
  - The parent/guardian **does not know** the student's whereabouts and has no means to contact the student, the student can be designated a "lost child" **after the school's receipt of a police Missing Person's report**, proceed to **Step 4**.
- If all known phone numbers are out of service, incorrect, or go unanswered, and any siblings of the student have been asked for updated contact information and the parent/guardian still cannot be contacted via phone, proceed to **Step 2**.

## STEP 2 OF 4

### 2. CONDUCT A HOME VISIT TO THE LAST KNOWN ADDRESS AND DOCUMENT THE OUTCOME OF THE HOME VISIT IN THE ASPEN OUTREACH LOG

- If the parent/guardian is contacted at the home, and:
  - The parent/guardian **knows** the whereabouts of the student, the student **cannot** be designated a "lost child." The process ends here.
  - The parent/guardian **does not know** the whereabouts of the student, and has no means to contact the student, the student can be designated a "lost child" **after the school's receipt of a police Missing Person's report**, proceed to **Step 4**.
- If the address is incorrect or does not exist, and all other means of contacting the family have failed, the student can be designated a "lost child", and proceed to **Step 4**.
- If the parent/guardian is not contacted at the home, but *no clear evidence* exists that they no longer reside at the home, go to **Step 3**.

## STEP 3 OF 4

### 3. MAIL A CERTIFIED LETTER WITH THE RETURN RECEIPT REQUESTED TO THE LAST KNOWN ADDRESS AND UPLOAD THE RETURNED RECEIPT INTO THE ASPEN OUTREACH LOG

If all other attempts to contact the family have failed, the school shall mail the parent/guardian a certified letter with the return receipt requested to the last known address. The letter should instruct the parent/guardian to immediately contact the school.

- For students who do not show up to the start of school, the CPS Enrollment Letter ([English/Spanish](#)) can be used as the certified letter.
- During the school year, the [10-day letter](#) can be used as the certified letter.
- If the certified letter cannot be delivered and is returned to the school, the student can be designated a "lost child" and proceed to **Step 4**.
- If the letter is successfully delivered and/or the parent/guardian responds, and:
  - o The parent/guardian **knows** the whereabouts of the student, the student **cannot** be designated a "lost child."
  - o The parent/guardian **does not know** the whereabouts of the student, and has no means to contact the student, the student can be designated a "lost child" **after the school's receipt of a police Missing Person's report** and proceed to **Step 4**.

### STEP 4 OF 4

4. **COMPLETE THE UNABLE TO LOCATE/LOST CHILD REPORT AND UPLOAD THE COMPLETED REPORT IN THE ASPEN OUTREACH LOG**

- If at any time, contact is made with the family, the process is invalidated.
- An 86 cannot be applied without the full investigation being completed and the report being completed in its entirety.
- Withdrawing a student without following the steps outlined is not permitted.
- The Unable to Locate/Lost Child Report must be completed with Network Signatures

Upload the Missing Person's report and Unable to Locate/Lost Child report into the Aspen Outreach Log.
